CPD Accreditation has been applied for

## Paediatric Gastro-oesophageal Reflux

Tuesday 31 March 2009  
New Connaught Rooms  
Covent Garden, London

### Specific learning objectives

To raise awareness of gastro-oesophageal reflux disease (GORD) in children.

To understand...

- the difference between GORD (disease) and the normal state (GOR), especially in infants
- how GORD manifests at different ages
- complications of GORD, implications for adulthood
- the pros and cons of various treatments

To establish best practice in...

- rapidity of diagnosis
- investigation only as necessary
- treatment at primary care level
- treatment at general paediatric level
- criteria for referral to specialists and subspecialists

### Course Faculty

**Professor Eric Hassall MBChB, FRCPC**

Professor of Paediatrics  
BC Children's Hospital/University of British Columbia  
Vancouver BC, Canada

**Dr Mike Thomson MB ChB DCH FRCP FRCPCH MD**
