Bloomsbury, London

Book by 24th September to save £££'s

Autumn Conference

Paediatric Gastro-oesophageal Reflux - Monday 22 November 2010

Holiday Inn Bloomsbury, London

LWR is a UK registered charity number 1132614

This conference is aimed at Family Practitioners, Paediatricians, Health Visitors, Nurse Practitioners, Dieticians and Speech Therapists. It will disseminate information on gastro-oesophageal reflux disease (GORD) and establish best practice in identifying the condition and referral for treatment.

Specific learning objectives

To raise awareness of gastro-oesophageal reflux disease (GORD) in children.

To understand...

- the difference between GORD (disease) and GOR (the normal state), especially in infants
- how GORD manifests at different ages
- complications of GORD, implications for adulthood
- the pros and cons of various treatments

To establish best practice in...

- rapidity of diagnosis
- investigation only as necessary
- treatment at primary care level
- treatment at general paediatric level
- criteria for referral to specialists and subspecialists

Programme

8:30am	Registration, exhibition and refreshments
9:20am	Welcome Tracey Guilliat-Parks, Chairman, Living with Reflux
